

Rules & Consent Form

For a smooth and safe delivery of activities on the High Ropes course, the following Terms and Conditions apply.

Surname			
Forename			
D.o.B.		Height	cm

Climbing the High Ropes course is deemed a sporting activity and requires a certain level of physical fitness. Acting responsibly and focusing on the specific activities and tasks are also required. Persons with medical conditions which limit sporting or athletic activities will only be allowed to participate if their condition is not listed as an exclusion factor in the Operating Handbook/Safety Manual. If you are unsure or have any questions please review these prior to the activity on the High Ropes course with the organiser.

I am in good health for general sports and fitness activities. If No , please state below the nature and cause of any medical restrictions.	Yes <input type="checkbox"/>	No <input type="checkbox"/>
I have had an operation/illness in the last 3-6 months which may still have a current effect on me.	<input type="checkbox"/>	<input type="checkbox"/>
I am currently taking medication which may affect my balance/focus and/or driving ability.	<input type="checkbox"/>	<input type="checkbox"/>
I am using drugs for the treatment of a chronic condition and the medication has been changed in the last 14 days in nature and / or dosage.	<input type="checkbox"/>	<input type="checkbox"/>

Risk Disclosure and General Terms

There are some inherent risks associated with participating in High Ropes course activities including but not limited to minor injuries such as abrasions, minor burns from ropes and blunt injuries such as bruises, etc.. An increased risk during athletic activities may exist for the following conditions:

- Chronic diseases such as Heart problems, blood pressure problems, diabetes, migraine, ...
- Seizure disorders or mental impairments such as Epilepsy, vertigo, ...
- Musculoskeletal disorders such as Joint injuries, fractures, herniated disc, ...
- Diseases that must be treated with medications such as emergency allergies, asthma, ...
(It is crucial that emergency medications and procedures are on hand for the responsible administration of such treatments).
- Due to the physical nature of this activity it is not recommended for pregnant women to participate. Those who still wish to undertake this activity acknowledge that they do so at their own risk.

The risk of any deterioration of an existing medical condition depends on an individual's constitution. The organizers' expect that each participant monitors their own medical conditions, be on the look-out for adverse signs and symptoms according to their condition and regular medication dosages and cease the activity on any abnormal effects. Possible injuries and damage must be disclosed immediately to the organisers.

Eligibility

- Participation by minors is only possible with a signed consent form by the legal guardian / parents.
- In the area around the high ropes course a helmet must be worn at all times.
- The safety harnesses provided require participant heights (MIN/MAX) between 110-210 cm.
- Participants will be asked to remove items that can lead to injury for yourself or others – for example Watches, Rings and other items of Jewellery as well as scarves or bandanas. It is also recommended that long hair is secured appropriately.
- Please remove any items that could fall out of participants pockets before participating.
- No alcohol or drugs are permitted on-site.
- The entire high-ropes course is a no-smoking area.
- The instructions of the high-ropes course trainers are to be followed immediately.

Privacy Policy

The data collected is necessary for a safe delivery of activities on the High Ropes course and it confirms that the participants accept the terms and conditions and the risk disclosure statement. The data is solely used for above mentioned purposes. The Association of Scouts and Girl Scouts Upper Austria does not process the data electronically. The data is not sorted and will not be disclosed to a third party. The data is stored in a secure location for three years for liability reasons and then will be destroyed.

Consent to Participate

I hereby declare that all information provided is true and no relevant information has been withheld. I understand that to participate in the high ropes course during pregnancy is at my own risk and may have long-term consequences for both mother and/or child.

I agree that photographs that are taken in the course of the event may be used for publication by the organiser.
